

HOW TO UPLOAD A LOGO OR SCANNED SIGNATURE

STEP ONE:

Select the stamp you require. Click on the  Artwork tab.

STEP TWO:

2a - UPLOAD IMAGE

Allows you to upload your image

Upload a black & white jpg, gif, or png file here to be placed on your custom product. Simply click **BROWSE** and locate the folder where your logo or signature is located on your computer.

2b - ADD CLIPART

Choose from our wide selection of stock artwork.

Simply click **BROWSE** and choose a category, then the image of your choice.

2c - UPLOAD FINISHED ARTWORK

Already have a design? Upload a pdf, jpg, gif, png, ai, or psd file here without a preview. Simply click **BROWSE** and locate the folder where your logo, signature or design is located on your computer.

STEP THREE:

Here you can adjust the layout. Choose to align your image to the centre, top, bottom, left or right. You can also rotate your image, choose your colour of your stamp and adjust the size of your image.

STEP FOUR:

Once you are happy with your preview, you are ready to order.

4a - SAVE PDF

Allows you to save a PDF version of your stamp to your computer for future reference.

4b - ADD TO CART

Adds your stamp to the shopping cart to check out or keep shopping.
